District 62 Vacancy Announcement:

4th Grade Elementary Teaching Position

Title: 4th Grade Teacher - Fulltime

Qualifications: IL PEL–Certification elementary education

Reports to: Superintendent/Principal

Location: Damiansville Elementary School District 62

Salary/Benefits: Determined through teacher's contract

Summary:

Damiansville Elementary School District 62 is seeking a full-time elementary education teacher for 4th grade. The successful candidate will be responsible for the continued development of our 4th grade curriculum mapping and integration of technology in the classroom. The candidate will be expected to teach all aspects of 4th grade and will have weekly student supervisory periods. The candidate will be expected to work as a team with grades K – 4 to develop successful positive students for the transition to our junior high grade levels.

The ideal candidate will have an understanding of curriculum development and best practices for elementary education instruction as it related to the 4th grade. Candidates must be familiar with computer practices in the classroom including Google and the use of Chromebooks. While not required, it is preferred that the candidate have a background or middle school endorsements in a variety of subjects to help with articulation between the 4th grade and our junior high grade levels. The final candidate will be responsible for all aspects associated with the 4th grade.

Interested applicants should submit a cover letter, resume, and references to Mr. Mark Heuring, Damiansville Superintendent District 62, 101 E. Main St. Damiansville IL 62215 or contact 618-248-5188 / mheuring@damiansvilleelem.com.
