District 62 Vacancy Announcement:

Middle School Language Arts Teaching Position

Title: Middle School Language Arts - Fulltime

Qualifications: IL PEL–Certification elementary education with Middle School Endorsement in Language Arts

Reports to: Superintendent/Principal

Location: Damiansville Elementary School District 62

Salary/Benefits: Determined through teacher’s contract

Summary:

Damiansville Elementary School District 62 is seeking a full-time middle school language arts teacher for grades 5-8. The successful candidate will be responsible for the continued development of our middle school ELA 5-8 curriculum mapping and integration of technology in the classroom. The candidate will be expected to teach all aspects of language arts and will have additional assigned elective periods. The candidate will be expected to work as a team with fellow middle school teachers to develop successful positive students for the transition to our local high schools.

The ideal candidate will have a strong understanding of middle school ELA curriculum, a proven background in reading development, and knowledge of best practices for middle school instruction as it pertains to grades 5-8. Candidates must be familiar with computer practices in the classroom including Google and the use of Chromebooks. While not required, it is preferred that the candidate have multiple middle school endorsements to help with scheduling and the ability to instruct different elective classes within the middle school environment. The final candidate will be responsible for all aspects associated with the middle school language arts, their designated homeroom, and assigned electives.

Interested applicants should submit a cover letter, resume, and references to Mr. Mark Heuring, Damiansville Superintendent District 62, 101 E. Main St. Damiansville IL 62215 or contact 618-248-5188 / mheuring@damiansvilleelem.com.
