## District 62 Vacancy Announcement:

### Middle School Science and Physical Education

Title: Middle School Science and Physical Education - Fulltime

Qualifications: IL PEL– Middle School Endorsement in Science

Reports to: Superintendent/Principal

Location: Damiansville Elementary School District 62

Salary/Benefits: Determined through teacher's contract

#### Summary:

Damiansville Elementary School District 62 is seeking a full-time middle school science, physical education, and electives teacher for grades 5-8. The successful candidate will be responsible for the continued development of our middle school science curriculum mapping and integration of technology in the classroom. The candidate will be expected to teach all aspects of science for grades 5-8 and will have additional assigned elective periods including physical education. The candidate will be expected to work as a team with fellow middle school teachers to develop successful positive students for the transition to our local high schools.

The ideal candidate will have a strong understanding of science curriculum and knowledge of best practices for inquiry based science instruction as it pertains to grades 5-8. Candidates must be familiar with computer practices in the classroom including Google Classroom and the use of Chromebooks. While not required, it is preferred that the candidate have multiple middle school endorsements including middle school physical education to help with scheduling and the ability to instruct different elective classes within the middle school environment. The final candidate will be responsible for all aspects associated with the middle school science, middle school physical education, their designated homeroom, and assigned electives.

Interested applicants should submit a cover letter, resume, and references to Mr. Mark Heuring, Damiansville Superintendent District 62, 101 E. Main St. Damiansville IL 62215 or contact 618-248-5188 / [mheuring@damiansvilleelem.com](mailto:mheuring@damiansvilleelem.com).
